## "Toward Civilization"

Pre-video learning

We will be learning about ancient civilizations this year. What do you think makes a group of people a *civilization*?

Please scan and use information from pages 25, 27 and 33-37 of your textbook to help you define the following terms ***in your own words***. [HINT: Use the sentences around the word to help you.]

- archaeology:
- artifact:
- excavate:
- prehistory:
- migrate:
- homo erectus:
- homo sapiens:

### **Before video:**

Taking notes during a video can be tough... You can be tempted to zone out, the narrator can speak quickly, and you can't re-read a fact you missed like you can in a book.

What strategies have you used that help make taking notes from a video easier?
